Hi, Heather.

My client continues to be interested in obtaining the license plate we previously discussed. He attempted to do so yesterday, but the website wouldn't allow it.

I understand that since we discussed this, there has been a change of leadership at both ODPS and the BMV, so I wanted to ask whether those personnel changes have resulted in any policy changes that would affect the BMV's previous decision on this license plate.

Please let me know.

Thanks,
